

Production Weeks Schedule Peter and the Starcatcher

Hi all, this is 90-95% the same schedule you got back in November at the mandatory meeting, but there are a few slight changes to accommodate for so many people having missed rehearsal (and therefore our having to go over the same thing many times) and for the lights in the auditorium not working this week.... **Please make sure you are here THE WHOLE TIME. DO NOT MISS A REHEARSAL FROM NOW ON-IT'S VITAL YOU ARE ALL HERE! AS WE ARE RUNNING ACTS, DO NOT LEAVE WHEN YOUR SCENES ARE FINISHED-WE WILL BE DOING FIXES AFTER EACH ACT RUN. PLEASE DO NOT COME UP TO ME, JAN OR JOE AFTER ANY SCENE/ACT AND ASK WHICH SCENES WE'LL BE FIXING-WE'LL TELL YOU ASAP-WE'LL NEED A MOMENT TO THINK AFTER THE RUN TO SEE WHAT IS THE MOST VITAL THING TO DO THAT DAY.**

*Feel free to bring bag dinners if you can't wait to eat (likely most days Mon-Th will be til 7pm as there's just so much to do!) You'll need to eat these in the hall outside the theatre and put all trash in one of the trash bins either in the caf or in the hall. No being in the caf after the custodians close it (not fair to give them more picking up to do!!, and can't eat in the band room) Thanks for understanding.

*notes—notes are things that I noticed that need to be fixed on generally, an individual basis. Notes are to be read by everyone, every day. Initial any notes that pertain to you so I know you've read them. Not initialed? I'll have to find time to take you aside and go over all your notes with you. We don't have time for that, please read, and initial your notes. Thank you!

*Everyone needs to give it 1,000% now. The second you walk on stage, you are your character, the whole time, every time.

*Treat your stage and tech crews with love and respect. Seriously! They are also under the gun timewise as we have broken lights (the whole circuit), builders didn't have enough help, etc. etc. SO, they may ask you to grab something to help them-please do so!

*props-use them all the time now and always put them back in the correct box.

Thanks ☺

++++ This is going to be an amazing show!!!! We need to work incredibly hard the next 2 weeks so that it reaches it's full potential and so do you, but you can do it and we, as a cast and crews, can do it together. Thank you for all your hard work while I've been out sick! It really shows how much you care and how mature and responsible you are! Kudos !!!!!
